Primary Examiner, Art Unit 1797

Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: The examiner spoke with applicant's rep. on 2-27-08 and indicated that applicant's response of 8-22-2007 was non-responsive amendment and applicant was given 1 month to respond to the non-final action of 2-22-07, the application is technically abandoned. Applicant's representative indicated there was some confusion. However, the examiner indicated that the statutory period can not go more than 6 months from the date of the non-final rejection and it is out of the examiner's jurisdiction to change a statutory period for response..
